APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions:

This permit is issued subject to all prior rights on the source,
and particularly subject to the right of G. K. Collins for water
sufficient for 150 head of cattle. The State reserves the right
to regulate the use of the water herein granted at any and all times.
It is distinctly understood that applicant agrees to the terms herein
contained.

The amount of water to be appropriated shall be limited to the
amount which can be applied to beneficial use, and not to exceed
One-fortieth cubic foot per second. (0.025)

Actual construction work shall begin on or before June 5, 1918

Proof of commencement of work shall be filed before July 5, 1918

Work must be prosecuted with reasonable diligence and be completed
on or before September 5, 1918

Proof of Completion of Work shall be filed on or before October 5, 1918

Application of water to beneficial use shall be made on or before
June 5, 1919

Proof of the application of water to beneficial
use must be filed with State Engineer on or before July 5, 1919

APR 24 1915

WITNESS MY HAND AND SEAL this 5th day

of January, 1918
